

Three Little Birds

Copyright Bob Marley

Don't worry about a thing,
'cause every little thing's gonna be all right.
Singing: don't worry about a thing,
'cause every little thing's gonna be all right

Rise up this morning,
Smile at the rising sun,
Three little birds, pitched by my doorstep
Singing sweet songs, melodies pure and true,
Saying, this is my message to you

Singing don't worry about a thing,
'cause every little thing's gonna be all right.
Singing don't worry about a thing,
'cause every little thing's gonna be all right

Woke up this morning,
Smile at the rising sun,
Three little birds, pitched by my doorstep
Singing sweet songs, melodies pure and true,
Saying, this is my message to you

Singing don't worry about a thing,
'cause every little thing's gonna be all right.
Singing don't worry about a thing,
'cause every little thing's gonna be all right

Don't worry about a thing,
'cause every little thing's gonna be all right.
Singing don't worry about a thing,
'cause every little thing's gonna be all right
'cause every little thing's gonna be all right
